

# VADIMS LAPINS

Junior Software Developer

## ABOUT ME

I am a hardworking and enthusiastic person that is interested in technology and software development. I have a unique set of abilities, including programming language proficiency, as well as a great understanding of software development concepts. I am a problem solver, excellent communicator, and team player that is excited to take on leadership responsibilities. I speak English, Latvian, and Russian proficiently and have a strong academic record. I am delighted to contribute my talents and passion to a company that wants to make a difference in the industry.

## EDUCATION

### High school

Riga Secondary School No. 74 — Riga, Latvia

Sep 2008 – Jul 2020

### Bachelor's degree, Building and Civil Engineering

## EMPLOYMENT

### Paintball Instructor

SIA "ANDRS" — Riga, Latvia · Part-time

Jan 2020 – Nov 2020

- Responsibilities included leading safety briefings, instructing players on the rules and regulations of the game, and providing hands-on training on the proper use of equipment.
- Was responsible for managing and supervising game sessions, maintaining and repairing equipment, and ensuring a positive customer experience.
- Role required strong communication and interpersonal skills, as well as the ability to think quickly on my feet and adapt to changing situations.

### Assistant Purchasing Manager

Babystore.lv — Riga, Latvia · Part-time

Aug 2020 – Nov 2020

- Responsibilities included communicating with suppliers and buyers, establishing connections with new suppliers, and analyzing data using Excel.
- Excel sheet automation – to increase efficiency and accuracy in tracking inventory and purchasing information.
- Role required strong communication skills, attention to detail, and proficiency in Excel and data analysis.

## Fundraiser

Finnish Red Cross — Oulu, Finland · Full-time

Jan 2021 – Jul 2021

- Responsibilities included approaching potential donors, promoting the organization's mission and programs, and soliciting donations.
- Role required strong interpersonal and communication skills, ability to work independently and as a part of a team. Passion about the cause and ability to inspire others to support it were also needed.
- I needed to be able to handle rejections and work effectively in a fast-paced environment.
